Acknowledgement of Travel Protection Information

PLEASE READ CAREFULLY

As your professional cruise agency, it is our responsibility to make you aware of travel protection insurance. Unexpected emergencies can occur that could affect your vacation or business trip. Travel protection insurance should be purchased in order to make certain that assistance is available in the event an emergency arises.

Please review the travel cancellation and medical insurance available to you. Also read the information on the second page of this form. Your signature below will verify that you understand its contents.

We would like to do whatever we can to make your trip more enjoyable and trouble free. Insurance offers you protection from those things we cannot foresee.

I have reviewed the information and elected not to enroll in the insurance program.
